### **“It is far better to give.....”**

Have you ever been influenced by someone? A parent, grandparent, teacher, colleague, even a Church minister? For me, I am always reminded of Grandma Bateman (my Mum's mum). She had a tremendous influence over the whole of the family and still today, long after her death, I hear her name mentioned or remember things she used to say. Grandma Bateman was a devout Christian. For her, church meant 3 times on a Sunday, no television or newspapers and walking to church if possible. More important than those customs was her example as a woman who lived out her faith. As a family, we still maintain a real sense of wanting to live out our Christian lives. What an influence!

Christians are stewards of the gifts and abilities God has given them. In the Bible, 1 Peter chapter 4 verse 10 says, **“Each one should use whatever gift he (or she) has received to serve others, faithfully administering God's grace in its various forms.”** And we must use those gifts and abilities to serve others.

There's a saying, **“The thief says, ‘What's yours is mine, I'll take it.’  
The selfish man says, ‘What's mine is mine, I'll keep it.’  
The Godly man says, ‘What's mine is a gift from God, I'll share it.’**

As I write this article and put down my thoughts, my mind goes to all those lives lost over the days, weeks and months of the pandemic. Sadly, all we see are numbers and we are very grateful that those numbers of people dying are getting smaller. But to those who are still losing loved ones, those individuals are loved, mourned and missed. They, in their own way, have been influential to those they came into contact with, those around them.

I love reading about people's lives. At the moment I'm reading 'Remarkable People' by the broadcaster and journalist, Dan Walker. He tells us about people from different walks of life who have influenced his life. Some well known, some not. A few of the stories are from an individual's faith perspective, but others are from the person's love of humanity, wanting to make a difference.

Different people with different personalities, but all with so much to give and use all that God had given to them. It's lovely to receive from others, but lovelier to give in return.

We may not be a Captain Sir Tom Moore or a Sir Lenny Henry, but we can still be inspired by the Grandma Bateman's of this world. Because it is true – it is far better to give than to receive!

### **EDITOR'S NOTES**

Well, we seem to be moving ahead. The opportunity to indulge in conversation while having a meal and a drink has coincided with some half-way decent weather, although, of course, this has been accompanied by a sharp wind. It reminds me of the battle between the wind and the sun as to which could make someone take off their coat. The wind blew colder and colder, but the person just pulled their coat tighter round them. The sun shone, the person became too warm and took off their coat! Just a few more days and we should be able to take refuge inside the pubs, restaurants and coffee houses. Will we remember how to converse?

Church services have resumed, with a service at All Saints each Sunday at 11.00 a.m. Robin Gill will be taking services on 30<sup>th</sup> May at both Hollingbourne and Hucking. If you wish to attend any service, please contact a Churchwarden to book a place.

Local elections take place on 6<sup>th</sup> May – use your vote, it was hard won.

We have Bank Holidays before and after the end of Lockdown 3. How different will they be? I'm still waiting for those 'three things I want to do after lockdown' articles.

I am still hoping to get information on revitalised village activities. Trawling the websites, I see that the Garden Society is hoping to hold their Autumn Show some time in September and their Annual Supper during October. Watch this space. The WI has a meeting pencilled in for 17<sup>th</sup> June (not the usual Thursday). Confirmation to come. The diary is looking distinctly flabby, but I have noted that the Mobile Library is due to come round once a month, stopping (on a Wednesday) at the Village Hall.

The church is now open for services on Sundays and Private Prayer on Wednesdays. It could do with some help in keeping it clean and decorated. If you would be willing to do some cleaning (not very often) or help arrange some flowers (again not very often) contact Katie Brice (880520 or 07941.263479) for cleaning or Val Lurcock (880694) for flowers.

Looking forward to receiving your contributions.

### Take part and make Maidstone Borough Bloom

For the first time ever Maidstone Borough Council is launching a Maidstone Borough in Bloom competition and is inviting anyone who enjoys creating beautiful gardens or pots to enter.

Working with Coolings Garden Centre in Bearsted, the competition opened on **Thursday 22 April and will be open for entries until Monday 5 July**. Judging will take place during the last two weeks of July and the Awards Ceremony will be held in September.

There are three categories, residential, commercial and community and any household entering will be given a £5 voucher to spend at Coolings.

A trophy will be awarded for the winner and runner up in each category. All winners in each category will also receive a prize of £25.00 Coolings gift voucher as well as two adult annual tickets for Leeds Castle.

Andrew Williams, Parks and Open Spaces Manager at Maidstone Borough Council said: "We are thrilled to be working with Coolings Garden Centre on this new competition and look forward to seeing all the wonderful gardens and flower display entries. We hope this also encourages businesses to show off their premises, particularly as many will be opening for the first time since being locked down.

"It would be great if in the future, it might be possible for Maidstone to progress to enter the South In Bloom competition which would help tie in the use of public space and community activity all year round.

"We are also working with Kent Wildlife Trust to help give advice on creating pollinator, wildlife friendly gardens as we know people may be interested in how to make their gardens more biodiverse. Our partners at Leeds Castle are very kindly providing prizes, which are very much appreciated, and their specialist gardening consultant will be giving gardening tips in a monthly blog, so look out for that."

Coolings Head Judge Neil Jackson said: "I look forward to appreciating the beautiful gardens and environmental contribution made by the residents and businesses of Maidstone Borough. Every garden, pot, trough and community project makes the world a better place to live in and it's important this work is recognised properly."

## **Burst water pipe on Eyhorne Street**

A burst water pipe on Eyhorne Street has meant that the road had to close for up to 7 days to allow South East Water to effect repairs.

Thought to have been caused by heavy traffic and, in particular, trucks, driving through the village following the closure of the A249 on Tuesday, 20<sup>th</sup> April, the water pipe added to a multitude of traffic issues.

### **MOBILE LIBRARY DATES**

A group of lads took a trip to France and decided to attend Mass in a small town, even though none of them understood French. They managed to stand, kneel and sit when the rest of the congregation did, so it wouldn't be obvious they were tourists. At one point, the priest spoke and the man sitting next to them stood up, so they got up, too. The entire congregation broke into hearty laughter.

After the service they approached the priest, who spoke English, and asked him what had been so funny. The priest said he had announced a birth in the

### HOLLINGBOURNE READING GROUP

Spring seems to be a time to celebrate books. Schools have World Book Day in March and children usually dress up as book characters. April has World Book Night with hundreds of events on-line. This year Kazuo Ishiguro gave an on-line talk about his new book '**Klara and The Sun**'.

This year World Book Night revealed a survey stating that we are a nation of re readers. 53% of people have re-read a book in the last 12 months. For me it is '**Pickwick Papers**' and '**Anne of Green Gables**'. Some may might class this as a children's book, but I do not like to categorise books in this way.

Two interesting books published this month are:

'**Philip**' by Giles Brandreth and '**Power of Hope**' by Kate Garraway.

A Gallup poll has said there are more over 65's reading than ever before. Top of the best sellers remains '**The Thursday Murder Club**'.

Happy Reading

The shin bone is a device for finding furniture in the dark.

During a game, the coach asked one of his young players: "Do you understand what cooperation is? What a team is?" The little boy nodded yes. "Do you understand that what matters is winning together as a team?" The little boy nodded yes. "So," the coach continued, "when a strike is called, or you are out at first, you don't argue or curse or attack the umpire. Do you understand all that?" Again, the boy nodded yes.

"Good," said the coach. "Now go over there and explain it to your mother."

## ***HATCHES MATCHES & DESPATCHES***

A welcome to the village to Angela and Patrick Zimmerman, together with their children, Luciana and Logan, who have recently moved into Hasteds. We hope they will enjoy the activities of the village when they restart.

## Music Notes May 2021

The lockdown rules still won't allow live local concerts in May, but I believe Maidstone Choral Union may be planning a concert in July (if conditions permit) and other musicians are planning events in October. Watch this space! Meanwhile, I will continue to regale you with musical anniversaries, this time for May. There are lots so here are just a few, of the more well-known musicians:

**2<sup>nd</sup> May** 4<sup>th</sup> anniversary of the death of Norma Procter, English operatic contralto, aged 89.

**17<sup>th</sup> May** 100<sup>th</sup> anniversary of birth of Dennis Brain, British virtuoso horn player

**21<sup>st</sup> May** 180<sup>th</sup> anniversary of the birth of Joseph Parry, Welsh composer and musician.

**22<sup>nd</sup> May** 207<sup>th</sup> anniversary of the birth of Richard Wagner, German composer and conductor

**23<sup>rd</sup> May** 187<sup>th</sup> anniversary of the Death aged 76 of Charles Wesley junior, English organist and composer.

**Joseph Parry** was, as far as is known, no relation to the English composer Sir Hubert Parry. Born in Merthyr Tydfil, Wales, he is best known as the composer of "Myfanwy" and the hymn tune "Aberystwyth", on which the African song "Nkosi Sikelel' Afrika" is said to be based. Parry was also the first Welshman to compose an opera; his composition, *Blodwen*, was the first opera in the Welsh language.

**Charles Wesley junior** was an English organist and composer. He was the son of Sarah and Charles Wesley (the great hymn-writer and one of the founders of Methodism), and the brother of Samuel Wesley, also an organist and composer. He is usually referred to as "Charles Wesley junior" to avoid confusion with his more famous father. Although much less well known than his brother Samuel, he was, like Samuel, regarded as a musical prodigy in childhood, and he was playing the organ before the age of three. He became a professional musician in adulthood, and Matthews (1971) quotes the *European Magazine* of 1784 as reporting that "his performance on the organ has given supreme delight".

### **BJH**

By popular request the alphabet continues:

**p** *Piano* – soft (the neighbours have complained)

**pp** *Pianissimo* – VERY SOFT (the neighbours are at the door)

**f** *Forte* – loud (the neighbours are out)

**ff** *Fortissimo* – VERY LOUD (sucks to the neighbours)

## Leeds & Kingswood Scout Group

### WOULD YOU LIKE TO BE A LEADER OR HELPER?

Did you know YOU could become a Beaver, cubs or scout volunteer and help us to improve the lives of local boys and girls and help them to develop and fulfil their future ambitions?

Leeds & Kingswood Scout Group is run from the Scout Hut located alongside the playing field on the Lenham Road, Kingswood. Each section meets one evening a week and carries out a variety of activities both in the hut and outside.

After many years, our two cub leaders are retiring and our two scout leaders are moving away, having successfully joined the RAF.

We urgently need volunteers, both as leaders and helpers, to ensure the continued success of the group. All training and uniforms are provided and it is an ideal opportunity to develop your own skills and ambitions while giving something back to the local community.

I would be delighted to provide any more information you may need to make your decision to join us.

I very much look forward to hearing from you.

Yours

**Alan Poulton**

This happened recently and is an important lesson for our friends and family in the older age group. A friend had his second doze of vaccine at the vaccination centre. Shortly afterwards he began to have blurred vision and struggled to get home.

He rang the vaccination centre and asked if he should go straight to the hospital for help. He was told NOT to go to the hospital, but instead to return at once to the vaccination centre and pick up his glasses....

## Leeds and Kingswood Scout Group

Hope you are all well and not too bored.

With the pandemic we are not being able to have face to face contact, so the leaders have arranged meetings via Zoom. This has let the individual sections keep in touch with each other.

Not having the meetings at the hut has given us the opportunity to decorate the hut and freshen it up.

You may see in the magazine we are seeking for leaders and helpers for beavers, cubs and scouts. If you like working with children, this will give them your expertise in helping them. If you are interested, please give me a ring at the telephone number at the bottom.

For our funds to keep the group running, we run a 100 club. We have four prizes a month, comprising 1 x £20, 2 x £10 prizes and a £5.

This is £12 a year (£1 a month). If you are interested in joining, please call me on the number below.

In the meantime, stay safe and well and look after yourselves

**Hollingbourne Meadows Trust**  
**News Bulletin May 2021**

***The Trust relies totally on regular donations from members and specific funds from other organisations. It does not receive funding from the Government or the Local Authority.***

Now that the government has eased the coronavirus restrictions, we can look forward to the coming spring and summer, when we can all enjoy the fresh air and beautiful scenery surrounding our village. We must still follow the guidelines in order to keep safe and healthy, keep the coronavirus under control and to avoid another lockdown.

We have purchased around 950 various tree whips to plant in around the Meadows. The plan is that half will be potted to be planted later in the year, while the other half are to be used this spring to fill some of the gaps in the hedgerows. Those of you who have been around the Meadows recently will have noticed that some of these tree whips, planted in Culpepper Meadow, once established will grow and fill these hedgerow gaps. A new crossing point in the ditch is planned to be constructed, in line with the Avenue of Remembrance. To give the trees a chance, we ask that everyone keep to the designated crossing points and we can then look to improve the environmental conditions of the ditches and hedgerows. This work has been led by Ben Williams, ably assisted by several volunteers to whom we are also indebted.

We have other plans – which will be carried out once sufficient funds are available – such as improving the surfacing of the Hasteds entrance, in order to make this more suitable during all weathers.

We are now looking for a suitable replacement Finance Director to replace Liz Jordan, who has decided to step down. If you, or someone you know of, would be interested in helping the Trust with financial compliance or would just wish to be involved in the management and organisation of the Trust then please either contact a member of the Trust or post or email your details. Your valued input is much needed!

The **Hedge of Hope** involves the provision of biodegradable wooden discs which can be decorated and hung, using hessian, on the hedge in Godfrey Meadow. This has allowed people to display inspirational and hopeful messages for all to read. The Trust is being supported by **Woods of Hollingbourne**, who are holding a quantity of bio-degradable wooden discs. While this has been successful, there are still a quantity of discs available to be collected: all we ask is for a donation to cover the costs although this is not mandatory. A sum of £2 is suggested.

Following the success of the **Miles 4 Smiles** campaign, which we ran in November last year, we are aiming to run this again to promote people getting out and walking for charity. Watch this space and the HTML website for details which will be released nearer the time

**If you are not currently a Member or 'Friend of the Meadows'** and would like to support this asset which is for the whole community or if anyone is interested in sponsoring a tree which would make a great present for a loved one, then please visit [www.hollingbournemeadowstrust.co.uk](http://www.hollingbournemeadowstrust.co.uk) or any member of the Trust. There is more information on the HMT website together with details of other projects and this can be found on [www.hollingbournemeadowstrust.co.uk](http://www.hollingbournemeadowstrust.co.uk), on Facebook at <https://www.facebook.com/Project100HTML/> and there is also a website where donations can be made at <https://mydonate.bt.com/charities/hollingbournemeadowstrust>.

### **NOTICE OF POLL**

The Police & Crime Commissioner Election and the Kent County Council Elections are being contested along with a third of borough, couple of parishes and neighbourhood plan referendums on Thursday 6 May 2021.

Cardwell Pavilion – Station 65 incorporates the electoral register of numbers: TV1 to TC 63, TB-1 to TB-822, TC-1 to TC-48

### **Playground damaged again – Clatterbridge closed**

Unfortunately, the Clatterbridge at Hollingbourne playground at Lance Memorial Playing Field has been damaged again – not long after it was recently repaired.

It is therefore off limits whilst another repair is scheduled.

The Parish council would like to appeal to any witnesses who may have seen the vandalism. The clatterbridge was only replaced on Tuesday, 30th March 2021, and if anybody has seen any suspicious behaviour around the playground, between Tuesday evening and Sunday, 4th April 2021 it would be good if they could tell us about it.

## Hollingbourne residents join 20's plenty campaign

In a bid to reduce the speed limit in Hollingbourne Local residents have joined the nationwide campaign 20's Plenty.

Speeding is one of the myriad of traffic issues causing problems for residents.

Whilst councils rarely reduce speed limits without high crash numbers the residents are hoping to address the problem before a fatal crash and hope that the banners and notices will encourage safer and slower driving through the village.

Along with the new resident volunteer speedwatch and the highway improvements in Upper Street it is hoped that these will combine to lead into some more long term solutions for the village.

A teacher posed the following problem to one of her maths classes: "A wealthy man dies and leaves ten million pounds. One-fifth is to go to his wife, one-fifth is to go to his son, one-sixth to his butler, and the rest to charity. Now, what does each get?"

After a very long silence in the classroom, one little boy raised his hand. With complete sincerity, he ventured, "A solicitor?"

## Hollingbourne Speedwatch

The parish council have managed to source a SID (speed device) so the next step is to collate the list of volunteers who would like to help with the speed check campaign.

There will be training organised on use of the speed gun before we take to the village streets to start monitoring.

Anyone interested in volunteering or just happy to help promote positive traffic safety changes in our village please join the following what's app group <https://chat.whatsapp.com/CAa5iD3OXgP7qPCZsifu1u>

A client brought a litter of Golden Retriever puppies to the local veterinary clinic for inoculations and worming. As the look-alike pups tumbled over and under one another in their box, the experienced vet realised it would be difficult to tell which had been treated and which hadn't. So, the vet turned on the water tap, wet her fingers and gently moistened each dog's head as she finished giving it the necessary shots.

After the fourth puppy, the vet noticed her hitherto talkative client had grown silent and was looking rather reverent. As the animal doctor sprinkled the last pup's head, the owner leaned forward and whispered, "Thank you so much. I hadn't realised you baptised them, too."

### **Traffic Chaos in Hollingbourne**

There was traffic chaos in Hollingbourne on the morning of 20th April as the traffic from the closed A249 southbound was diverted through the ancient village, causing anger and, once again, residents call for safer roads in the village.

Details of the Speedwatch and 20's Plenty campaign currently in action can be found at the whatsapp site opposite.

I asked my mother if I was a gifted child. She said I must be, because they certainly wouldn't have paid for me.

### **Hollingbourne Station improvement**

The Kent Community Rail Partnership which is hosted by Sustrans – [www.sustrans.org.uk](http://www.sustrans.org.uk) works with local authorities, organisations and communities to support local railway lines.

The community rail partnership aims to ensure communities get the most out of their railways and have an action plan for building regeneration and use. One of the proposals which was accepted is the Hollingbourne Railway Station improvement.

MBC North Downs Ward Councillor Patrik Garten put forward ideas for refurbishment and opening of the closed station building for community use.

Next step will be a site visit to the railway station to actually assess the available opportunities and their viability. A site visit for all interested parties, volunteers and businesses is planned for May. Anybody who may be interested in this project please contact the Parish Clerk on [pchollingbourne@gmail.com](mailto:pchollingbourne@gmail.com).

20/04/2021

Welcome to my latest newsletter. There are quite a few items this month, which I would like (and need) to draw to your attention:

### **Urgent Action required**

Swale Borough Council goes currently through their Regulation 19 consultation for their latest Local Plan. I am very concerned about increased rat-running through the North Downs AONB. Increased developments in Swale will inevitably lead to an enormous increase of commuter traffic through the villages of Hollingbourne and Bredgar. I envisage that the latter will become worse before getting better, during the forthcoming construction works at M2 junction 5. I, therefore, contacted Swale Borough Council and requested that they implement measures in their Local Plan to discourage rat-running through the AONB and to take all available measures to guide traffic via the trunk road network. Please take the opportunity to respond to their public consultation and reiterate my concerns:

<https://swale-consult.objective.co.uk/kse> The consultation ends 30 April.

### **Businesses with reduced footfall urged to apply for grants**

Throughout the pandemic MBC has successfully administered a range of mandatory and discretionary grant schemes to support local businesses, with over 8,867 awards made to the value of £46million.

Maidstone Borough Council is calling on businesses that may have been unsuccessful previously in applying for a business grant or not felt they qualify to try again this time as a new 'hardship' category has been introduced. The deadline for Maidstone businesses to apply for the 'Additional Restrictions Grant' (ARG) has also been extended until **Friday 30 April**.

The grant supports businesses that are not covered by other grant schemes or where additional funding is needed. If you are a Maidstone business that has suffered financial loss and not been able to claim other grants, then we urge you to apply.

Businesses that qualified for a grant between 5 January to 16 February and continue to meet the criteria for the scheme will be automatically awarded a further grant with no need for a further application.

The grants full eligibility criteria and online application form is available on the Maidstone Borough Council website: <https://maidstone.gov.uk/home/other-services/covid-19/tier-2-primary-areas/advice-and-help-for-businesses/additional-restrictions-grant>

### **Mandatory injunction in place to stop harm to AONB**

Continuing its fight against harm to an area of outstanding natural beauty, Maidstone Borough Council (MBC) has taken further action and obtained a Full Injunction in both prohibitory and mandatory terms against a landowner in Boxley.

Mr Langley Beck of Bell Lane, Boxley previously ignored requirements of an Enforcement Notice to stop living on the land and the unlawful disposal of waste/car parts etc and to restore the land. MBC began legal proceedings to prevent further serious harm to the site that is located within an AONB, a designated Ancient Woodland and covered by a Tree Preservation Order. The Council initially obtained a High Court Interim Injunction earlier this year and has now secured a Full Injunction.

### **Support for on-street electric vehicle charging points**

The Transport Secretary recently confirmed that the Government's On-Street Residential Chargepoint Scheme will continue in the 2021-22 financial year, with a £20 million budget. The scheme is available to all UK local authorities, to fund 75% of the capital costs of installing residential EV chargepoints.

### **New legislation**

The **Debt Respite Scheme** (Breathing Space) will be coming into force on 4 May, 2021. An individual who has debts must take professional debt advice from a debt adviser to be considered for Breathing Space. The debt adviser will consider whether the individual is in problem debt and whether there is an ability to repay all debts. An individual must agree they will continue to pay ongoing liabilities. (There are separate arrangements for anyone who has been referred by the NHS due to mental health problems). The standard Breathing Space allows an individual 60 working days where their debts are effectively 'frozen'. Debts that are likely to be qualifying debts, include Council Tax, Business Rates, Housing benefit Overpayments, credit or store cards, loans, overdrafts, utility bills, and mortgage arrears. A decision will be made within 60 days as to what the best option is to get a person's finances back on track. At this point, the creditors can no longer start any action or legal proceedings against the debtor, must put all existing debts on hold and is not able to contact the debtor regarding the Breathing Space debt. Breathing Space is not a payment holiday. Whilst creditors must pause action during Breathing Space, a debtor is still legally required to pay their ongoing debts and liabilities. Certain debts such as Council Tax and Business Rates are considered 'ongoing liabilities' during a standard Breathing Space. The debtor needs to keep paying these as this is a requirement for continued protection. If they stop paying, the standard Breathing Space may be cancelled. At the end of Breathing Space, it is anticipated customers will enter into a Statutory Debt Repayment Plan (SDRP), which is a formal agreement with creditors to repay ALL their debts over a manageable time period (based on individuals surplus income).

### **Moratorium On Possession Proceedings**

Since the end of March, 2020, there have been various regulatory edicts that have extended the notice period that landlords must give their tenants; stays on possession hearings in the Courts; and a halt to eviction warrants being executed by bailiffs.

MBC housing officers are aware of a small number of occasions where landlords in the borough have attempted to evict tenants; although our staff intervened when made aware, none of these incidents has resulted in a prosecution. Most of the time once the officers have explained the legal position to the landlord, they reach a more reasonable outcome.

#### **And finally:**

Please don't forget on 6<sup>th</sup> May you will be asked to vote for your Kent County Councillor, the Police and Crime Commissioner and your Maidstone Borough Councillor.

It will be vital that you make your voices heard and give your mandate to the candidate who shall represent you for the next four years.

**Five minutes of your time will mean a lot to the candidate of your choice.**

As I left a meeting at our church, I could not find my car keys. They were not in my pockets. They were not in the church. Then I thought – I've left them in the car! As I burst through the doors of the church, my heart sank: the church car park was empty.

With a heavy heart I called the police, confessed that I had left my keys in the car, and that it had been stolen. Then I made the really difficult call: "Darling," I began (I always call her 'darling' at moments like this). "Darling, I have left my keys in the car, and it has been stolen."

There was a little gasp. "You did not *have the car*. I dropped you off. Remember?"

My heart sang as relief flooded through me. "Of course! Thank God! Well, come get me quick – I am already running late... what is keeping you?"

My wife replied with ominous calm: "What's keeping me? I'll tell you what's keeping me. The police are here. They think I've stolen our car..."

## **CHURCH CLEANING HELP!**

Once again another year has passed and it will soon be time for me to draw up the new rota for our band of church cleaners. Sadly this year some people have had to drop out through ill health or other reasons.

Is there anyone in the village who would be prepared to give an hour or so three times a year to help us maintain this wonderful building?

Please give me a ring on 880520 or 07941263479 if you are able to help.

The Rectory  
St James the Least of All

My dear Nephew Darren

On reflection, inviting your parishioners to join in our annual Rose Queen celebrations may not have been entirely wise. It was cheering to see that your people arrived on carnival floats, although it was less happy that some of them should have chosen to dress up as coronavirus bugs, full of those nasty spike proteins – that startled some of the timid residents in our community.

Once the procession started, your drivers did not seem to have grasped the fact that the vehicles were expected to tour the village slowly, for the benefit of spectators, instead of treating it as a competitive race. I noticed that numbers on your floats gradually diminished as they were flung off while careering round corners. Those who had a walk of several miles back home while dressed as pirates and ballerinas had my sympathy. Our tea ladies, however, were less sympathetic when one of your hay bales was spun off on a tight corner and went through our Women's Guild like a row of skittles.

The local police normally use the afternoon to do a little gentle point duty, while drinking gallons of sweet tea; this year, the number of tickets issued for speeding, and not social distancing, should boost our constabulary's figures for the next 12 months.

I must concede that the group who decided to make a *papier mache* swan for one of your floats showed great imagination. It was such a pity that they did not know a 15-foot-high swan would be driven under a 12-foot bridge. The drama of its emergence, headless, was only exceeded by the following float which appeared to have a group of Brownies being savaged by a demented, bodiless, vulture.

I am sure that some of your people's offers to help this year's Princesses campaign for election for Rose Queen next year were well-meant. However, I don't think our parish really wants a full-blown social media campaign for next year's Rose Queen, and so we will have to decline your offer.

The crowning of the Rose Queen is always a high point to the afternoon, but could I point out that the 'gold' crown is only metal foil, and the 'diamond' sceptre is only a piece of glass? So, whoever it was in your crowd who walked off with them, please may we have them back before next year?

Your loving uncle,  
Eustace

## Road Maintenance in Your Area

Road Surface Improvement (Micro Surfacing)  
**A20 Ashford Road Overbridge, Hollingbourne**  
(Weekend work)

### When we plan to carry out the work and how long it will take

This is to let you know that, as part of the on-going maintenance and improvement of the highway network, Kent County Council will be working to improve the road surface of **A20 Ashford Road Overbridge, Hollingbourne** along its whole length (from its junctions with the main A20).

These road surface improvement works are programmed to start on **Saturday 22<sup>nd</sup> May 2021** and should take **2 days** to complete. These activities will be undertaken during a **working window** between **7am and 7pm**.

This type of work can be affected by bad weather, so if it is not possible for us to carry it out at this time, we will arrange a new date and let you know via a letter drop to your home. We will also put up signs along the road, before we start, showing the date we plan to start work.

During these essential works it will be necessary to close the road completely so that we can carry out the works safely for both the workforce and road users.

The diversion route will be in place via the main A20 roundabout (And vice versa)

### The timings of works and how the 'working window' may affect you

Where we have specified the works take place over more than a day, please be aware that it is not always possible to start on the first day advertised. These types of works are part of a continuous works programme and heavily dependent on good weather and site conditions throughout; and thus, can be affected by delays on previous sites. By allowing for extra days we can ensure that unforeseen circumstances to our works can be accommodated and disruption to local residents is minimised as far as possible.

### What we plan to do

We are going to use a product called 'Micro-Asphalt' to improve the road surface. Micro-Asphalt is quick to apply, which means less disruption to road users, residents, local businesses and the emergency services. It is a cost-effective way of prolonging the life expectancy of the road before any major repair works are required. It also benefits from having a low carbon footprint.

Micro-asphalt is applied cold, in fluid form directly onto the existing road, in two 8mm thick layers, that seal the surface to prevent water penetration, restore texture and improve skid resistance.

The finished surface will look quite coarse, uneven and rough immediately after laying, but will improve over time via normal traffic use, as the material beds in. The laying process may result in the fluid splashing slightly up the kerb face; this is normal and will weather with time.

**Generally, within 14 days of completing the works the road markings will be reinstated and within eight weeks the ironworks (road drain covers, manhole covers etc.) will be adjusted to suit the new surface.**

### Further information on this treatment process

Further information on Micro Surfacing, including a short video presentation, can be found on our website at [www.kent.gov.uk/roads-and-travel/what-we-look-after/roads/road-resurfacing/types-of-resurfacing](http://www.kent.gov.uk/roads-and-travel/what-we-look-after/roads/road-resurfacing/types-of-resurfacing). Alternatively, this video can be found on YouTube by searching for 'Kent County Council Micro Surfacing'.

If you need more information, you can visit our website [www.kent.gov.uk/resurfacingupdates](http://www.kent.gov.uk/resurfacingupdates) to view our programme & updates, to find out how we look after the roads throughout Kent or report any faults you find on our roads. You can also view our diversion/permit details at [www.one.network](http://www.one.network). Alternatively, you can call us on **03000 41 81 81**.

**If your vehicle is usually parked on the carriageway, please make sure you park it somewhere else away from the site whilst the works are carried out, so the road is clear for us to resurface.**
